Internet SIP Phone IP250-S

The screenshot shows the web interface for the Internet SIP Phone IP250-S. The top navigation bar includes 'Home', 'Call Setup', 'Phone Setup', 'Function Setup', and 'Maintenance'. Below this is a secondary menu with 'Account', 'Server', 'Service', 'Audio', and 'Advanced ...'. The 'Call Setup' menu is highlighted with a red circle. The 'Account Config.' section is highlighted with a red box and contains the following fields:

User ID	Vaše FAYN tel. číslo
Password	Vaše SIP heslo
Auth Name	Vaše FAYN tel. číslo
Display Name	Vaše FAYN tel. číslo
Domain Name	fayn.cz

The 'Save Settings' button is highlighted with a red circle. A red '2.' is placed to the right of the form fields. A red instruction box on the right side of the form reads: 'Vypněte všechna uvedená políčka podle údajů, které vidíte na této stránce, a nastavení potvrďte tlačítkem "Save Settings".'
